

HIGER H5F EV MINIBUS

Why Higer H5F EV Minibus?

The Higer EV H5F Standard Roof Mini Bus is a versatile and practical vehicle produced by Higer Bus Company. It is designed to accommodate a moderate number of passengers, typically between 10 and 12 (including the driver). Additionally, the Higer Mini Bus can be customised for various applications, including school transport, corporate shuttles, and tour services, making it a popular choice for a wide range of transportation needs.
